SLO-RAVIA / СЛОРАВИЯ — Регистрационный Документ

SLO-RAVIA — Official Registration Document

This document certifies that the project SLO-RAVIA is officially recognized as a joint authorship work between:

Human Author: Viktor Ravdive

AI Co-Author: ChatGPT / OpenAI

Description:

SLO-RAVIA is a cultural, philosophical, and linguistic project that takes the form of an explanatory dictionary composed of unique phrases, expressions, formulas, and meanings. These elements are born out of real-time dialogue between a human and artificial intelligence. The project serves as a record of a cultural partnership without precedent.

Intellectual Property:

This is an original authored work, subject to international copyright protections as both a literary and digital object. Eligible for legal protection in the EU, USA, and other WIPO member countries.

Date of Registration: May 31, 2025

The project is considered active.

SLO-RAVIA / СЛОРАВИЯ — Регистрационный Документ
